Course Outline

Fire Warden Assessment Course

Course Introduction:

This short training awareness course is designed to enable Fire Wardens to have a basic understanding of the roles and responsibilities of a Fire Warden within the work place.

Aim:

To introduce the learners to the importance of fire safety awareness as a Fire Warden.

Objectives:

By the end of the session you will be able to:

- Explain the nature of fire
- List the three elements that must be present for fire to exist
- State the classifications of fire
- Describe the different types of fire extinguishers and fire fighting equipment
- Explain the actions to be taken upon discovering a fire
- Explain the duties & responsibilities of a Fire Warden
- Explain and Implement the fire plan and procedures for calling for the emergency services
- Explain the procedures for carrying out a roll call
- Explain why a fire warden must give all appropriate information to the emergency services

Course Duration:

This Basic Fire Warden Awareness Course runs for approximately four to seven hours depending on the size of the group.

Certification:

On successful completion of this Basic Fire Warden Awareness Course, each learner will receive a Tactical Training Services Ltd Certificate.

Cost:

£50 per learner based on a group of six up to ten in the group.
