Course Outline

Hostile Environment Training

Competencies: Hostile Environment Training

Who Should Attend? Any employee who is required to work within a hostile environment whilst at work. Ideal for Security Staff, Door Supervisors, Close Protection Officers, Event Staff, and any person required to work within these areas of concern

Aims: To ensure learners are fully aware of the hazards and risks associated with hostile environments within their working environment.
To provide learners with the skills, knowledge and confidence to deal with these associated hostile environments in a safe and accountable manner and in accordance with current legislation.

Learning outcomes: After the session learners should be able to:

- ❖ Have a knowledge and understanding of the risks related to hostile environments
- ❖ Identify typical risks and hazards related to hostile environments
- ❖ Carry out a dynamic risk assessment of the threat and to be able to adapt and overcome the threat
- ❖ Have knowledge of legislative guidelines for the use of force
- ❖ To be able to justify the use of force
- ❖ To be able to work as a team effectively to take control of the hostile environment in a safe and accountable manner
