

Level 2 Award in Security Guarding

Competencies: NOCN Level 2 Award in Security Guarding Qualification

Who Should Attend? Any employee or security operative who is currently working as a Security Guard – Officer or those wishing to begin working as a Security Guard - Officer.

Aims: To ensure learners are fully aware of and trained to meet the SIA requirements for licensing of private security operatives.

Learning outcomes: After the session learners should be able to:

Meet the SIA requirements for licensing of private security operatives static and patrol. On successful completion of the course, and passing the required examinations, learners will be able to apply for an SIA licence to work as a Security Guard.

Modules Covered:

Unit 1 Working in the Private Security Industry

- ❑ Introduction to the Security Industry
- ❑ Legislation relevant to the Private Security Industry
- ❑ Health and Safety at Work
- ❑ Fire Safety
- ❑ Emergency Procedures
- ❑ Communication skills and Customer Care in the Private Security Industry

Unit 2 Working as a Security Guard - Officer

- ❑ The role of a security officer within the private security industry
- ❑ Patrolling
- ❑ Controlling access and egress to a site
- ❑ Searching procedures
- ❑ Technology, security and monitoring systems in the security environment
- ❑ Law and its relevance to the Security Officer

Unit 2 Working as a Security Guard – Officer continued

- ❑ Reporting, recording and record keeping

Unit 3 Conflict Management for the Private Security Industry

- ❑ Recognising and Assessing risk
- ❑ Communication Skills
- ❑ De-escalating conflict situations
- ❑ Resolving conflict
- ❑ Post incident considerations

Course info:

The new approach to licence-linked training / qualifications means that all learners will receive training in the same “core modules” that are common to all licensable occupations, but the remainder of their training will differ depending upon the type of licence / qualification required by the operative.

What does the programme cover?

The Skills for Security, NOCN accredited programme, covers the appropriate training that meets the SIA requirements for licensing of private security operatives static and patrol.

The training involves classroom based learning and realistic scenario based exercises and practical assessments, multiple choice examinations.

What our Customers Think of this Course.

Customers Testimonials

"David's presentation skills were very professionally delivered to the group, and David made the course and subject material very realistic and interesting. I would recommend this course and David as a trainer to other people who wanted to attend a Security Officers Course". **(Emma Wright Blackpool Lancashire) 2011.**
